

Quotation of powerbank

Item Number	Picture	Specification	colour	MOQ(pcs)	price (usd )	remark
TJZL805		Cell type: polymer lithium-ion cell Case material: plastic Power supply capacity: 10000 MA Output: DC:5V/2A Input: DC:5V/2A Product size :183*87*20mm Comes with light, silicone dust jacket, power indicator There are Type-C input port, USB output port, Micro input port Its own solar charging panel Comes with Micro output cable, Type-C output cable, iPhone output cable	blue orange black green	1-100	12	custom
				100-1000	11	
				1000-5000	10	
				5000-10000	9.5	
Y180		10000mAh Solar power bank Where there is light, there is electricity Own four wire Introduction: Solar energy comes with a lanyard drag 4 can be removed Size: 144*68*19.5mm Battery: 1260110*1 (10000) capacity Enter: 2.1A Output: 2.1A	black white pink purple	1-100	10	custom
				100-1000	9	
				1000-5000	8	
				5000-10000	7	
Y180-2		20000mAh Solar power bank Where there is light, there is electricity Own four wire Introduction: Solar energy comes with a lanyard drag 4 can be removed Size: 140*68*31.5mm Battery: 1260110*2 (20000) capacity Enter: 2.1A Output: 2.1A	black white pink purple	1-100	13	custom
				100-1000	12	
				1000-5000	11	
				5000-10000	10	
Y100		10000mAh Cell type :1260110*1(10000) capacity Protection circuit: Yes Material :PC+ABS Compatibility :99% Smartphone and tablet features: solar charging, lanyard, comes with four wires Size :143*70*35MM	black green white	1-100	10	custom
				100-1000	9	
				1000-5000	8	
				5000-10000	7	
Y100-2		20000mAh Cell type :1260110*2(20000) capacity Protection circuit: Yes Material :PC+ABS Compatibility :99% Smartphone and tablet features: solar charging, lanyard, comes with four wires Size :143*70*35MM	black green white	1-100	12	custom
				100-1000	11	
				1000-5000	10	
				5000-10000	9.5	
TJ352		Name: 20000mAh Super Fast charge Size: 144*68*27.5mm Battery :1260110*2(20000 capacity) Input :22.5w Super Fast charge Output: 22.5w Super Fast charge Supports PD bidirectional fast charge	black white	1-100	14	custom
				100-1000	13	
				1000-5000	12	
				5000-10000	11.5	
TJ551		Name :10000mAh Super fast charge Size: 99*66*22mm Battery: 955465*2(10000 capacity) Input :22.5w Super Fast charge Output: 22.5w Super Fast charge	black white red	1-100	13	custom
				100-1000	12.5	
				1000-5000	12	
				5000-10000	11.5	

Remark:

1. The price valid period is 7days.
- 2,Lead Time:After OEM files were confirmed ok, 20 working days
- 3, Payment term: TT 30% in advance, 70% before shipment or full payment
- 4,Packaging: Carton box,
